Sc in Other Side of the Chain

Finish row 1, then rotate the piece until it's upside down. Starting with the same ch as the last stitches you made, crochet into the unused loops of the starting ch.

Sc the Opening Closed

Fold the piece in half. Put the hook through both the next stitch and the last stitch you made. Yarn over and pull through both stitches. Two loops on hook. Yarn over and pull through both loops. Repeat for each pair of stitches along to end.

Join Yarn to Unused Back Loops

Join yarn to the first unused loops of the round indicated. Sc in the same loop you joined to, and in each unused loop around. Do not join the round, just keep crocheting in a continuous spiral from now on.
